

Volunteer with the SA Police Road Safety Centre

Are you looking for a meaningful way to give back to the community?

Join the team at the **SA Police Road Safety Centre**, where we work together to make South Australian roads safer for everyone.

For more than 60 years, the Road Safety Centre has been a leader in road safety education, helping people of all ages build the knowledge and skills they need to stay safe on the road. Our volunteers play a vital role in bringing these programs to life and we're always excited to welcome new people to the team.

What we do

We deliver fun, hands-on road safety programs to schools, businesses and community groups.

Participants learn about road rules and safe behaviour through a mix of classroom sessions and practical activities on our interactive mock roadway.

How volunteers help

Volunteers support our team of police officers (road safety educators) by helping with activities such as:

- setting up bicycles and packing them away
- assisting with classroom presentations
- guiding participants as they use the mock roadway
- helping prepare road safety materials and promotional resources
- maintaining bicycles and equipment at the Centre.

If you enjoy engaging with children and adults, this could be a great fit.

Be part of the fun, even as 'Jeff' the road safety dog!

Volunteers can also support the Centre by appearing as Jeff, our friendly road safety mascot. Jeff is a huge hit with kids and helps make each learning experience memorable and enjoyable.
