Ms Alison SANDY  
FOI Editor  
560 Sir Samuel Griffith Drive  
MOUNT COOT-THA QLD 4066

Dear Ms Sandy,

**Re: Freedom of Information Act application**

I refer to your application made pursuant to the Freedom of Information (FOI) Act 1991 in which access was sought to the following information:

*"Documents, specifically reports briefings and attachments and photos and CCTV/video, relating to charges laid or warnings/cautions as a result of weapons that occurred at SA educational facilities since 1 January, 2017. If the statistical information is available, please limit to just the statistical information and incident/event reports from just primary schools or childcare facilities in the Eastern, Northern, Western, Southern districts. If there are more than 50, please limit to the first 50 located. If weapons have to be named, please limit searches to firearm/gun, knife/knives, nun-chucks, weapons, sword, knuckledusters, tasers, machetes, bayonets. Please exclude duplicates, documents that have already been publicly released, media statements/reports/articles and correspondence with media. I consent to documents/video beings (sic) released with exempt material redacted/pixilated."*

On 17 September 2018, I sent you an email advising that preliminary enquiries had been made and South Australia Police (SAPOL) computer systems do not differentiate between primary and secondary schools for offences. I also asked for you to narrow the scope of your request. On 18 September 2018, you replied by email stating, "I'm fine with all the stats schools and the childcare/kindergarten, but I would want all the reports for the latter..."

Several reports were located on the SAPOL computer systems with the offence location of "school" however it is imperative to point out that these offences did not necessarily involve students or staff from that school and may have occurred outside normal school hours or days.

**In relation to this part of your request:**

“...I'm fine with all the stats ..... childcare/kindergarten...”

It is determined to **release in full** the statistical information regarding offences where a weapon was involved and the location was listed as childcare / kindergarten from 1 January 2017. This information is contained within the table below and was correct as of 16 September 2018.

OFFENCE	WEAPON INVOLVED	OFFENCE COUNT
OTHER OFFENCES AGAINST THE PERSON	OTHER - NOT LISTED	1
PROPERTY DAMAGE AND ENVIRONMENTAL	BAT / CLUB / BATON / STICK	1

**In relation to this part of your request:**

“...I'm fine with all the stats schools ... but I would want all the reports for the latter...”

Before dealing with this part of your request it is important to draw your attention to the page numbers on the top right corner of each document. The page numbers relate to the number of pages printed with each batch print run and are not indicative of the number of pages associated with each report.

South Australia Police (SAPOL) has located documents that are associated with the wording of your FOI application. The documents are numbered and described in the following schedule. The schedule contains the details of the determination in compliance with section 23. In particular, note the grounds on which access has been refused, including the reasons which are contained in the schedule.

A number of exempt personal affairs are clear on the face of the document however others are not. The exempt personal affairs on each document includes: <ul style="list-style-type: none"> <li>• Police Report Number;</li> <li>• Name;</li> <li>• Home and mobile;</li> </ul>

**CLAUSES FOR REFUSAL**

Clause 6(1) of Schedule 1 of the FOI Act which states:

*"A document is an exempt document if it contains matter the disclosure of which would involve the unreasonable disclosure of information concerning the personal affairs of any person (living or dead)."*

Clause 6(2) of Schedule 1 of the FOI Act which states:

*"A document is an exempt document if it contains allegations or suggestions of criminal or other improper conduct on the part of a person (living or dead) the truth of which has not been established by judicial process and the disclosure of which would be unreasonable."*

Clause 6(3a) of Schedule 1 of the FOI Act which states:

*"A document is an exempt document if it contains matter consisting of information concerning a person who is presently under the age of 18 years or suffering from mental illness, impairment or infirmity or concerning such a person's family or circumstances, or information of any kind furnished by a person who was under that age or suffering from mental illness, impairment or infirmity when the information was furnished and the disclosure of which would be unreasonable having regard to the need to protect that person's welfare."*

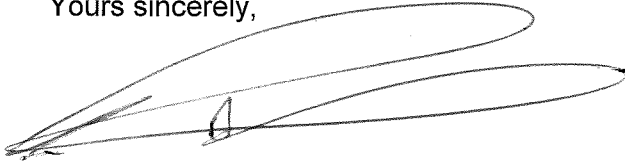

In accordance with the requirements of Premier and Cabinet Circular PC045, details of your FOI application, and the documents to which you are given access, will be published on the SAPOL website Disclosure Log. A copy of PC045 can be found at <http://dpc.sa.gov.au/what-we-do/services-for-government/premier-and-cabinet-circulars>. If you disagree with publication, please advise the undersigned in writing by 2 November 2018.

**Your rights to review**

If you are dissatisfied with the determination for access to SAPOL records, you are entitled to exercise your right of internal review in accordance with section 29(1) of the FOI Act by completing a PD362 Application for Internal Review form which can be downloaded from <https://www.police.sa.gov.au/services-and-events/freedom-of-information> or available upon request at your nearest police station.

Alternatively an application may be made in writing to the SAPOL Freedom of Information Unit. This application must be lodged within 30 days from the date of this determination with a fee of \$35.00. Such a fee may be waived in the event of an exemption being claimed.

Yours sincerely,
