Dear Ms Sandy,

**Re: Freedom of Information Act application**

I refer to your application made pursuant to the Freedom of Information (FOI) Act 1991 in which access was sought to the following information:

*"I am seeking access to documents, such as reports, audits, and executive briefing notes and attachments, photos and CCTV/video footage since 1 January 2017 relating to lost or stolen police equipment, including weapons, ammunition, identification (such as badges), capsicum spray, clothing (ie. Bulletproof vests, equipment belts), handcuffs, and batons.*

*I would expect documents, or a summary report, to include details of the missing item and how it went missing – including whether it was lost or stolen– and whether the equipment was subsequently retrieved.*

*Please also include documents detailing the cost of replacing the missing equipment..."*

On 19 September 2018, I invited you by email to narrow the scope of your request. You replied on 20 September 2018 via email: "Yes summary information is fine in relation to the specifics...please provide any documents to show the cost of replacement if they exist..."
