<b>Entered by:</b>	#PD74602 ZARNOW, J.	<b>Entry time:</b>	09/06/2021 09:15
<b>Entry:</b>	Checked CCTV footage, footage covering the door is from camera 3. Footage is very grainy and extremely hard to recognise anyone. A tree is also in the way, partially covering the doorway. PSSB contacted, there are no tamper activations so no specific time for when the damage occurred.  Given the very poor quality of the CCTV nil further lines of enquiry.
