A GUIDE TO OBTAINING YOUR MOTORCYCLE LICENCE ROAD SAFETY SESSION

The SA Police Road Safety Centre is a leader in road safety education, playing a vital role in reducing road trauma through enhancing the awareness, knowledge and skills of all road users through lifelong learning.

Despite a steady decline in the number of lives lost on South Australian roads over the past decade, motorcycle riders continue to be over-represented in road trauma statistics. Obtaining a licence is a very exciting time for riders and it is important that they are aware of licence conditions and road rules. This session is a must for people obtaining their motorcycle learner's permit.
