Dear [REDACTED],

Re: Freedom of Information Act application

I refer to your application received by South Australia Police (SAPOL) in which access was sought to the following information pursuant to the *Freedom of Information Act 1991*:

“The number of children remanded in custody as of 4 December 2024, the age of each child remanded in custody, and the length of time that each child has been remanded in custody..”

This application was partially transferred from the Department of Human Services to answer your application regarding children in Police custody only.

On Thursday 12 December I spoke to [REDACTED] from your office who confirmed the request was for details of children in police custody on 4 December 2024 who were the suspect or offender in criminal offences.

South Australia Police (SAPOL) has located information that falls within the scope of your request and agree to **release this information to you in full.**

Continued over..
