Notes: Statistics are point-in-time and may be refreshed.

For Driving Causing Serious Injury, note that the changes in ANZSOC from 1 July 2025, have resulted in the number now being reported as a standalone category. In May 2026 the result of 10-87 or 770% is a consequence of the ANZSOC change rather than an actual change of driver behaviour. It will take until the end of the 2026-27 financial year to establish consistent and comparable data for this sub-category.
