Re: Freedom of Information Act application – Letter of Notice

In reference to applications which you submitted last year pursuant to the *Freedom of Information Act 1991* (FOI Act), where access was sought to:

“A copy of any crime statistics for the 2023/24 financial year containing all offences committed by youth aged between 10 and 17 years of age reported to South Australian Police.”

And

“A copy of any crime statistics for the 5 financial years prior to 2023/24 containing all offences committed by youth aged between 10 and 17 years of age reported to South Australian Police.”

It has come to my attention that documents provided to you previously were incorrect. This was due to the criteria used to extract the data. South Australia Police (SAPOL) apologises for any inconvenience this may cause and provides the following document to correct data in satisfaction of both applications.

SA POLICE - FREEDOM OF INFORMATION UNIT SCHEDULE
