Dear Mr Dally-Watkins,

**Re: Freedom of Information Act application**

I refer to your application made pursuant to the Freedom of Information (FOI) Act 1991 in which access was sought to the following information:

*"Documents including related photos/CCTV/video footage from January 1, 2017, relating to police call-outs relating to offences against the person to South Australian Schools. Please limit reports to just those in the greater Adelaide area (the metropolitan LACs).*

*If more than 10 incidents with video footage are captured, please limit to the first 10 where the footage is located and there's legal action pending. I confirm I consent to being provided edited copies of documents/footage with personal information such as names and faces redacted/pixelated/blurred. Please exclude duplicates, documents that have already been publicly released, media reports / articles / releases and correspondence with media."*

In my letter dated 22 November 2018 and emailed to Ms Alison Sandy on 23 November 2018, I advised her that the scope of the request would unreasonably divert the agencies resources and asked to narrow the scope of the request. Ms Sandy replied by email on 27 November 2018, *"Statistical data is fine, as long as it's only the year (note the date), type of offence, LAC of offence and the charges laid. Please process on this basis"*

Please note, South Australia Police (SAPOL) computer systems do not differentiate between primary and secondary schools for offences. Several reports were located on the SAPOL computer systems with the offence location of "school", however it is imperative to point out that these offences did not necessarily involve students or staff from that school, may have occurred outside normal school hours or days.

It is determined to **release in full** the statistical information regarding police reports relating to offences against the person at South Australian Government Schools from 1 January 2017. This information is contained within the table below and was correct as of 16 September 2018.
