

KEEPING SAFE ON THE ROAD

BIKE SAFETY

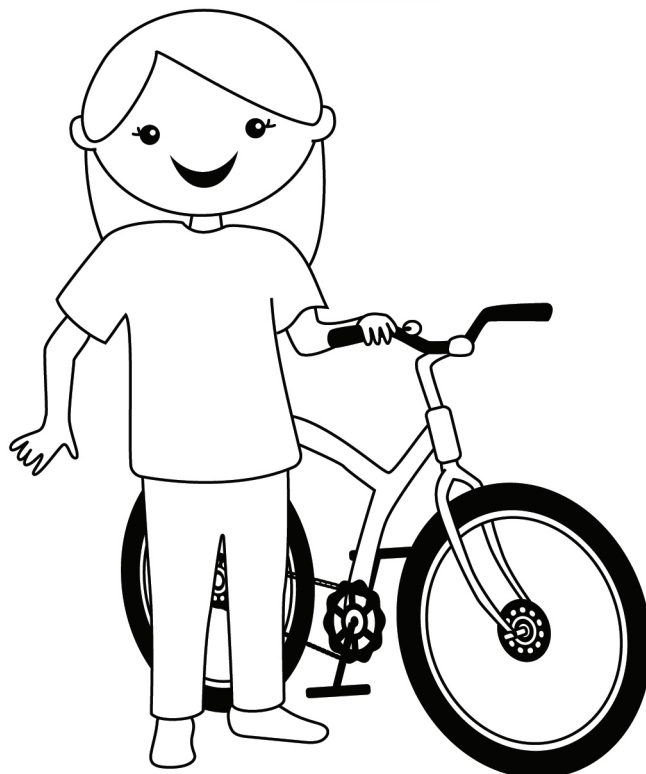

Always wear a properly fitted helmet whenever you ride your:

- bike
- scooter
- skateboard
- roller skates
- inline skates.

WHAT'S MISSING?

Jeff's friend is going for a ride on her bike and needs your help to keep her safe.

Find and cut out her helmet, bright coloured vest and headlight on page 3 and put them in the correct place.

Even when riding on a bike path, it's still very important to be careful and use good manners towards other path users.
