- 2. A breakdown of the top 10 locations of mobile speed cameras which caught the most motorists speeding in 2017, and so far in 2018.*
- 3. The location of the speed cameras which were referred to in part 2 of a previous FOI application, file number 18-1790."*

**In relation to Parts One and Two of your request;**

It is determined to **refuse access** to this data pursuant to s20(1)(b) of the Freedom of Information Act 1991 which relevantly states:-

*"An agency may refuse access to a document if it is a document that is available for inspection at that or some other agency (whether as part of a public register or otherwise) in accordance with Part 2, or in accordance with a legislative instrument other than this Act, whether or not inspection of the document is subject to a fee or charge;"*

Please note that as of July 2014 Expiation Notice Data sets have been published on SA Government Open Data website.

Data that falls within the scope of your request is published and can be found at <https://data.sa.gov.au/data/dataset/expiation-notice-system-data>.
