Email: [asandy@seven.com.au](mailto:asandy@seven.com.au)

Dear Ms Sandy,

**Re: Freedom of Information Act application**

I refer to your application made pursuant to the Freedom of Information (FOI) Act 1991 in which access was sought to the following information:

*"I'm seeking documents, specifically reports, audits, reviews, AV material relating to arrests and charges laid by Anti-Gang Squad since 1 January, 2018 to the date of this application. In relation to event reports, please limit to the first 10 where charges were laid with searches being undertaken chronologically and the related AV material. Please exclude duplicates, documents that have already been publicly released, media reports/article/statements and any correspondence with media. I consent to edited copies of documents/video with exempt material redacted/pixilated. Please note, I do not consent to documents or information in documents being deemed irrelevant without consultation."*

In your email dated 1 April 2020 you clarified that you sought documents created by South Australia Police (SAPOL) Serious and Organised Crime Branch, Crime Gangs Task Force. A further email dated 10 June 2020 narrowed the scope to 6 (six) summary reports and associated AV material as well as the number of arrests made by the Serious and Organised Crime Branch since 1 January 2018.

**In relation to the following part of your request:**

*"...the number of arrests made by the Serious and Organised Crime Branch since 1 January 2018."*

The number of arrests made by the Serious and Organised Crime Branch between 1 January 2018 and 31 May 2020 was 233 (two hundred and thirty three).

**In relation to the following parts of your narrowed request:**

“...6 (six) summary reports and associated AV material...”

Before dealing with this part of your request it is important to draw your attention to the page numbers on the top right corner of each document. The page numbers relate to the number of pages printed with each batch print run and are not indicative of the number of pages associated with each report.

South Australia Police (SAPOL) has located documents that are associated with the wording of your FOI application. The documents are numbered and described in the following schedule. The schedule contains the details of the determination in compliance with section 23. In particular, note the grounds on which access has been refused, including the reasons which are contained in the schedule. This determination was made on 20 July 2020.
