The SA Police Road Safety Centre is committed to helping every rider stay safe on South Australian roads. Whether you're applying for your motorcycle learner's permit, have just received it, or you're an experienced rider, this session will help build your skills, confidence and road awareness.

Why this session matters

In 2025, South Australia recorded:

- 8 rider fatalities involving motorcyclists
- 172 seriously injured riders and 4 injured pillion passengers
- 530 casualty crashes and 19 pillion passengers.

These aren't just numbers – they represent lives forever changed.

Nathan Anderson's story

This session features the real and powerful story of Nathan, a young rider who tragically lost his life in 2024 after holding his licence for just four weeks. Nathan's damaged motorcycle is now displayed at the Road Safety Centre, offering a sobering reminder of how quickly things can go wrong and why safe riding matters.
