**Re: Freedom of Information Act application**

In reference to your application made pursuant to the *Freedom of Information Act 1991* (FOI Act), access was sought to:

*“The total number of expiation notices issued for speeding offences on Jollytown Road, Lyndoch”. Date range 01-10-2025 to 01/04/2026*

On 24 April 2026 I discussed this matter with your office, specifically that information relating to expiation notices is proactively released to Data SA and available on the following dataset. [Expiation Notice System Data - Dataset - data.sa.gov.au](https://data.sa.gov.au/dataset/expiation-notice-system-data). When advised that a filter was able to be applied to gain camera offence information at street level and manually issued expiations at suburb level you agreed to narrow the scope of your request to the following:

*“The total number of expiation notices manually issued (excluding camera offences) for speeding offences on Jollytown Road, Lyndoch” - 01-10-2025 to 01/04/2026*

South Australia Police (SAPOL) has located information that falls within the scope of your request and has agreed to **release the information to you in full**.

Offence	Notices Issued
Exceed default speed in built up area by 10-19 kph	4
Exceed signed speed by 10 - 19 kph	12
Exceed signed speed by 20 - 29kph	1
Provisional driver exceed speed limit by 10kph or more	1
<b>Total:</b>	<b>18</b>

**Please Note**

The above statistics are current as of 23 April 2026 and could be subject to change if further offences are identified.

**Disclosure Log**

In accordance with the requirements of [Premier and Cabinet Circular 45](#) this determination, together with any documents released to you will be published on the [SAPOL Disclosure Log](#). If you disagree with publication, please advise the undersigned in writing by 29 June 2026.

Yours sincerely,
