- Mark all accessories including helmet, lights, pump, saddle, etc.
- Take a photograph of your bike.
- Complete the Bike Passport and keep it in a safe place.
- Purchase and fit a good quality bike lock.
- Always park and secure your bike in well-lit and populated areas.
- Always lock the frame and both wheels to a secure object.
- When securing your bike, remove equipment including helmet, lights, pump, etc.
- Never leave your bike unattended and unlocked, even for a short period of time.
- When at home, secure your bike in a locked shed or inside your house.
