Re: Freedom of Information Act application

In reference to your application made pursuant to the *Freedom of Information Act 1991* (FOI Act), access was sought to:

“A copy of all data (including spreadsheets and reports) indicating the total number and the type of incidents reported to SAPOL related to Bonython Flats on Egmont Terrace, Hawthorn between 1 January 2022 and the present date.”

As part of our assessment, it was identified that the Bonython Flats have two street frontages: Egmont Terrace and Sussex Terrace. On 25 May 2026, I spoke with a staff member from your office, who confirmed that data from both frontages was required.

South Australia Police (SAPOL) has located a document that falls within the scope of your request. The document is numbered and described in the following schedule. The schedule contains the details of the determination in compliance with section 23 of the FOI Act. Note the grounds on which access has been refused, including the reasons which are contained in the schedule.

SA POLICE - FREEDOM OF INFORMATION UNIT SCHEDULE		
No.	Document Description	Status

CLAUSE FOR REFUSAL

Clause 6(1) of Schedule 1 of the FOI Act which states:

"A document is an exempt document if it contains matter the disclosure of which would involve the unreasonable disclosure of information concerning the personal affairs of any person (living or dead)." The redacted information is the personal affairs of one or more individuals residing at Bonython Flats at HAWTHORN.

REASON FOR REFUSAL

The information relates to the details of a South Australian Computer Aided Dispatch (SACAD) event code, which is considered confidential and sensitive.

I am of the view that disclosure of such information is unreasonable given the need to protect the privacy of a resident or residents.
