Dear

In reference to your application made pursuant to the Freedom of Information (FOI) Act 1991, access was sought to:

It is determined to **release in full** the dollar amount of expiation notices issued on the Stuart Highway from Port Augusta to the Northern Territory border for each calendar year 2013, 2014, 2015, 2016 and 2017. The data is specifically for the Stuart Highway which commences at Port Augusta and continues to the Northern Territory Border. The offences counted are 110 km/h or more only. This does not account for errors in data entry or officer error. The value relates to the face value of notices which have been expiated (with SAPOL). This does not include the outcome of enforcements or court outcomes.
