Preschool and primary school road safety sessions

Programs by year level

Preschool	Road safety explorers* This session introduces students to road safety, how to identify police officers and when to call Triple Zero in an emergency. Students are introduced to "Jeff the Road Safety Dog" who through the use of videos highlights important road safety messages.	45 mins / 90 mins
Reception to Year 3	Road ready with Jeff the Road Safety Dog* This session discusses playing in safe places, the kerb drill, wearing seatbelts, wearing a safety helmet and how to be safe around public transport. Students are introduced to 'Jeff the Road Safety Dog' who through the use of videos highlights important road safety messages.	45 mins / 90 mins
Year 4 to Year 6	Road safety in action* This session provides information on road safety and the Australian Road Rules. It discusses the appropriate use of wheeled recreational devices through the concept of Cycle Safe and SMILE. It also educates students on how to be safe around public transport and when to call Triple Zero in an emergency.	45 mins / 90 mins
10 Years and older	School crossing monitor training This training is delivered to students aged 10 years and above, teachers and school volunteers who are required to operate a school crossing or pedestrian-activated traffic lights. Training takes place at the students' school and is valid for a 12-month period.	45 mins

* Sessions that can be conducted at the Road Safety Centre and includes practical riding and pedestrian safety on the mock roadway. All equipment is supplied.
