

## HOME SECURITY

**To reduce the opportunity for thieves to gain entry into your home, consider the following crime prevention security tips:**

- Ensure appropriate keyed locks are fitted to all doors and windows.
- Even when you are outside, be sure to lock all doors and windows.
- Lock gates, garages and sheds when not in use.
- House keys, car keys and garage remote controls should be kept in a safe location. Thieves may use them to gain entry to your home or to steal your car.
- Install and activate an alarm system.
- Keep trees and bushes in front of doors and windows trimmed to avoid being used as hiding places.
- Lock all garden tools and ladders away securely so they cannot be used to break into your home.
- Don't leave valuables in obvious places. Thieves often target jewellery in jewellery boxes on bedroom dressers and other valuables in bedside drawers and cupboards.
- Break down packaging of expensive items and place it in your bin. Don't leave it next to your bin on the street.
- Lock your meter box to prevent thieves interfering with your power supply (contact your local electricity provider for more information).

### Mark Valuable Property

- Use an engraver, ultra violet (UV) pen or microdots to mark property.
- UV pens are best used for items that cannot be engraved e.g. ceramics, antiques etc.
- Mark your valuables with your driver's licence number, prefixed by the letter 'S' for South Australia e.g. S123456.
- Photograph jewellery with a ruler beside it to give an indication of the actual size.
- Record all details on a property record and keep this in a safe place.
