

# South Australia Police Road Safety Centre

## BUSINESS AND COMMUNITY ROAD SAFETY SESSIONS

The SA Police Road Safety Centre is a leader in road safety education, playing a vital role in reducing road trauma through enhancing the awareness, knowledge and skills of all road users through lifelong learning.

The SA Police Road Safety Centre delivers road safety sessions to businesses and community groups across the state. These sessions aim to create awareness of the Five Fatal causes of road trauma on South Australian roads. The sessions can be tailored to meet the needs of specific groups and can be catered for small and large audiences. Sessions can be adapted to cater for persons living with disability. Sessions can be conducted at the Road Safety Centre or on location.

# SA Police Road Safety Centre Business and Community Sessions

The driver awareness, Australian Road Rules and regional driving road safety sessions are suitable for everyone, including businesses with employees who drive work vehicles.

## Driver awareness road safety session

(60 minutes)

This session highlights road safety issues, focusing on the Fatal Five causes of road trauma, fatigue, crash statistics and current road rules in South Australia. The concepts of choices, risks and consequences are discussed, as well as the importance of passenger safety and ANCAP safety ratings on vehicles.

## Australian Road Rules road safety session

(60 minutes)

This session is directed at all road users and includes a road rules refresher using our audience response system, cycling laws, sharing the road with heavy vehicles, the Fatal Five causes of road trauma on our roads, driving on regional roads and crash statistics.

## Regional driving awareness road safety session

(60 minutes)

This session is directed at road users that drive on regional roads within South Australia. The session includes, the Fatal Five causes of road trauma, fatigue, regional crash statistics, sharing the road with heavy vehicles and safety tips for driving on regional roads.

## Older road user's road safety session

(60 minutes)

This session addresses issues faced by older road users, the Australian Road Rules, the Fatal Five causes of road trauma, pedestrian safety and fatigue.

## Fitness to drive road safety session

(60 minutes)

This session addresses a person's fitness to drive responsibilities, the Fatal Five causes of road trauma, the effects of driving whilst taking prescribed medication and motorised wheelchairs.

## Drive awareness - International students road safety session

(60 minutes)

The session is designed to educate international students who want to drive in South Australia and creates an opportunity for students to seek answers in a familiar, supported environment. This session includes licence requirements, Australian Road Rules, the Fatal Five causes of road trauma and regional driving.

## SA community football club road safety session

(60 minutes)

This session can be adapted for any sporting club across the State. The session is presented at the clubrooms and includes, the Fatal Five causes of road trauma, fatigue, choices, risks and consequences and the impact of losing a team mate as a result of a crash.
