Why attend?

Not all South Australian schools visit the Road Safety Centre during the year. This free program provides an additional opportunity for children to gain vital road safety education in a safe, engaging environment. Since its introduction in 2018, the program has grown in popularity, with places filling quickly.

Our award winning program

In 2020, the School Holiday Program received the Australian Road Safety Foundation's national award for State Government Programs at the Australian Road Safety Awards.
