Dear Mr Tarzia

Re: Freedom of Information Act application

In reference to your application made pursuant to the *Freedom of Information Act 1991* (FOI Act), access was sought to:

"A copy of all documents and data indicating the number of devices available in South Australia that can detect unregistered vehicles between 19/03/2022 and 14/02/2023."

On 23 February 2023 an email was sent to your office seeking clarification of the scope of your request. On 24 February 2023 you amended the scope of your request to the following:

"A list of all of devices available in South Australia that can detect unregistered vehicles between 19/03/2022 and 14/02/2023."

Enquiries were made with the South Australia Police Traffic Services Branch who advised the only device used by SAPOL that can detect unregistered vehicles is the Automated Number Plate Recognition (ANPR) device.

In accordance with the requirements of Premier and Cabinet Circular PC045, details of your FOI application, and the documents to which you are given access, will be published on the SAPOL website Disclosure Log. A copy of PC045 can be found at https://www.dpc.sa.gov.au/__data/assets/pdf_file/0019/20818/PC045-Disclosure-Log-Policy.pdf. If you disagree with publication, please advise the undersigned in writing by 20 April 2023.

Yours sincerely
