Dear

Re: Freedom of Information Act application

In reference to your application made pursuant to the Freedom of Information (FOI) Act 1991, access was sought to:

"I would like a copy of any document...i.e a document which alerts a staff member in another part of the organisation as to who the current office holder is in the position of Manager, Expiation Notice Branch...And just to be clear, I don't require any other information than the person's name."

On 24 April 2018 I telephoned you to discuss the scope of your application. During that conversation you confirmed that you sought a document that would identify who the Manager, Expiation Notice Branch was on 12 January 2018.

SAPOL has located a document that falls within the scope of your request. The document is numbered and described in the following schedule. The schedule contains the details of the determination in compliance with section 23 and it should be noted that the documents were correct as at 20 February 2018.

In accordance with the requirements of Premier and Cabinet Circular PC045, details of your FOI application, and the documents to which you are given access, will be published on the SAPOL website Disclosure Log.
